QUALIFICATIONS

Having experience in CADD for over 10 years, I have worked for Korpela Engineering since February 2011, providing all the drafting, detailing and visualization needs for the company through the use of Revit, AutoCAD, Sketchup, Photoshop, and even Adobe Muse to create the company website.

We've been using Revit for all projects, to include: Stage structures at the Iowa State Fairgrounds, Youth Inn, I-35 Weight Room Addition in Truro, BLDG 1350 (S-60) at Camp Dodge...

EDUCATION

- Home school High School Diploma & GED Graduated 2001
- AAS in "Architectural Technologies" (3.84 GPA): Kirkwood Graduated 2006
- One semester at DMACC for continuing education (Physics & Arabic - 4.0 GPA)

CERTIFICATES

- Outstanding Student Certificate in the Architectural Technologies Program
- OSHA Card
- Honor graduate, utilities repair. Military, Aberdeen Proving Grounds, MD
